Report on TRANSGENDER equality RIGHTS

The Srirangapoopathi College of Nursing conducted a program on TRANSGENDER equality RIGHTS. This initiative aimed to raise awareness about transgender rights, combat discrimination, and promote inclusivity within our college community and the healthcare profession.

Points covered in the program were as follows:

It is generally observed that in present circumstances, there are three basic kinds of exclusions of Transgender in India:-

 - a. Exclusion from family and society
 - b. No protection from violence
 - c. Limited entry in education sector, health services and public spaces
2. Exclusion from Economy (Economic Problem) –
 - a. Exclusion from economy
 - b. Exclusion from livelihood and employment opportunities
3. Exclusion from Citizen Participation (Political Status) –
 - a. Limited entry to collectivization
 - b. Limited rights to citizenship
 - c. Limited right to participation in community decision making process

Though, the situation has changed after the honourable Supreme Court judgment in 2014, the perception of Indian society mindset and their behaviour towards Transgender has not changed. Much educational institutions shall provide inclusive education and opportunities for sports, recreation and leisure activities to transgender persons.

The fact to conduct Transgender equality rights:

- 1) Human Rights for Everyone,
- 2) Patriarchy,
- 3) Inter-sectionality,
- 4) Gender Stereotypes,
- 5) Gender-Based Violence,
- 6) Bodily Integrity and Sexual & Reproductive Rights,
- 7) Employment,
- 8) Locked-up Potential,
- 9) Political Representation.

SRPCON was grateful for the time and effort that the speaker Adv. Mrs. Nalini Prasad had shared her knowledge in the trans- gender equality programme. SRPCON thanked her for delivering information about the trans- gender equality. The program was concluded with vote of thanks.
