Perspective Plan

The perspective plans of Srirangapoopathi College of Nursing are aligned with its vision and mission:

1.	Curricular Innovation	Continuous enhancement of the curriculum to integrate the latest developments in healthcare, technology, and nursing research.
2.	Faculty Development	Investment in faculty development programs to ensure a skilled and motivated teaching staff capable of delivering high-quality education
3.	Research Infrastructure	Strengthening research infrastructure to facilitate faculty and student research, promoting collaborations with research institutions
4.	International Collaboration	Initiating and expanding international collaborations for student exchange programs, joint research initiatives, and exposure to global healthcare practices
5.	Community Outreach	Expanding community outreach programs to address healthcare disparities, provide health education, and engage students in practical learning experiences
6.	Technology Integration	Harnessing technology for effective teaching, learning, and administrative processes, ensuring graduates are technologically proficient
7.	Ethical and Inclusive Practices	Embedding ethical and inclusive practices in all aspects of education, promoting a culture of diversity, equity, and respect.
8.	Stakeholders' Participation in Decision-Making Bodies	Stakeholder participation is a cornerstone of our governance philosophy:
9.	Faculty Senate	Faculty members participate in the Faculty Senate, contributing to academic policy decisions, curriculum development, and the overall academic direction of the institution
10.	Student Council	The Student Council represents the student body in decision-making processes, providing input on matters related to student welfare, extracurricular activities, and academic concerns
11.	Alumni Committee	The Alumni Committee actively engages with the college, contributing insights and support for

		institutional development. Alumni representatives are also part of decision-making bodies.
12.	Community Advisory Board	Community representatives, including healthcare professionals and community leaders, serve on an advisory board, providing valuable input on community needs and expectations
13.	Continuous Quality Improvement	Implementation of a CQI framework to regularly assess and enhance academic programs, infrastructure, and support services
14.	Student-Centric Initiatives:	• Designing initiatives that prioritize the holistic development and well-being of students, ensuring a positive and enriching educational experience. • Investment in faculty development to ensure a high-caliber teaching staff, proficient in the latest pedagogical and healthcare advancements
15.	Research Productivity	Encouraging and supporting faculty and student research endeavors, contributing to advancements in nursing science and healthcare practice
16.	Community Engagement	The plan emphasizes community engagement, outlining initiatives that address healthcare needs, promote health education, and establish the institution as a socially responsible entity
